

AMIS EVENTS Fees for 2009-2010

During the 2008-2009 academic year, the exchange rate for sterling and Euros changed drastically as sterling lost considerable value. It is obvious some adjustment of AMIS fees for 2009-2010 is necessary. Euro rates have been held at the 2008-2009 rate. Sterling fees have been adjusted to reflect current exchange rates.

At the end of each quarter, the relationship of sterling and Euro fees will be reviewed taking into consideration.

Schools must choose to be invoiced in either Euros or Sterling. It will for the first time be possible to pay fees by cheque, transfer or by school credit card. Please contact Georgia Bassett at AMIS headquarters for details of credit card payment. You must be billed in sterling in order to use this facility.

Alternates will pay registration fees only if they are called to become a regular participant.
