• I hereby accept the place offered to me as a member of the festival indicated above. I will work with my teacher and on my own to insure that my music is thoroughly learned prior to the festival.

• I understand that, two weeks prior to the beginning of the festival, I will be tested on all the music. This will give me sufficient time to insure that any portions of the music which need additional preparation will be thoroughly learned before departing for the festival. I understand that I will not be permitted to participate in the festival unless I am thoroughly prepared. This could result in loss of fees.

• I understand that when housing festival participants with host families, it is often possible to place two or more students with the same family. However, I also understand that this is not always possible, as some families have room for only one guest. I accept that staying with host families in other parts of the world is an important part of the AMIS philosophy, and a major part of the total festival experience in which I am to participate.

I will abide by the following festival code of conduct. I understand that any infringement of the festival rules will be dealt with by the festival organizers and will be reported to my own school in order that any further disciplinary action deemed necessary by the administration can take place.

DURING THE FESTIVAL

1.All laws of the host country will be obeyed.
2. Participants will not drink alcohol or use illegal drugs.
3. Participants will not smoke on school grounds or festival premises.
4. Participants will attend all scheduled rehearsals, meetings, and the gala concert.
5. Participants will attend all scheduled group meals.
6. Participants will abide by the festival curfew times .
7. Participants will respond politely to requests made of them by the festival organizers, any directors, the guest conductor and host families.
