AMIS GUEST CONDUCTOR APPLICATION

An important component of AMIS's middle school festivals is that students have the opportunity to work with guest conductors from AMIS member schools. This acts as valuable professional development for the guest conductor and builds our international music education community through a sharing of ideas and approaches. AMIS is now compiling a pool of applicants interested in leading a middle school festival.

If you would like to guest conduct a future festival, please submit a DVD of yourself leading a 15 minute rehearsal, as well as a 15 minute concert excerpt.

Please also provide the following information:

- *Your area of principal study and expertise*
- *The festival(s) you are interested in guest conducting*
- *A brief outline of your professional experience (a full resume is not required)*

This material can be posted to:

AMIS
Church Farm House
North Lopham, Diss
Norfolk IP22 2LP
England

Applications will be reviewed by the AMIS conductor search committee. This will replace the previous rehearsal audition process that takes place at festivals.

Teachers who have already guest conducted a festival will not need to submit an application, but should inform Georgia Bassett at amis@bassetts.demon.co.uk if they would like to guest conduct again in the future.

NOTE: MAY 15, 2009 is the deadline for applications for festivals to be held during the 2009-2010 academic year. Applications received after that date will be put into the general file for later consideration.
